PROFESSIONAL SUMMARY

B.Tech Artificial Intelligence & Data Science student at Karpagam College of Engineering with a current CGPA of 8.7. Interested in Artificial Intelligence, Machine Learning, and Data Analysis, with hands-on academic project experience in recommendation systems, campus information platforms, and digital queue management. Eager to learn emerging technologies and build practical solutions.

EDUCATION

B.Tech – Artificial Intelligence & Data Science	Karpagam College of Engineering	2024 – Present	CGPA: 8.7
12th Standard	PMG Matric Hr. Sec. School	2024	73%
10th Standard	PMG Matric Hr. Sec. School	2022	78%

PROJECTS

Course Recommendation System

- Developed a recommendation system that suggests relevant courses based on user interests and preferences.
- Implemented basic recommendation logic to improve course discovery and user engagement.
- Tech:** Python, Machine Learning, Pandas, Scikit-learn.

Campus 360

- Developed a web-based platform to help freshers navigate the college campus and access important information.
- Implemented features for college locations, academic resources, and announcements.
- Tech:** Python, Django Framework, MySQL.

Digital Queue Management

- Designed a user-friendly interface for a digital queue management system to reduce waiting time and improve service flow.
- Developed interactive screens for token display, queue updates, and service notifications.
- Tools:** Figma, UI/UX Design Principles, Web Interface Design.

TECHNICAL SKILLS

Programming: Python, C, C++, Java (Basics), SQL

Web: HTML, CSS, JavaScript, Django

Databases: MySQL, MongoDB

AI & Data Science: Machine Learning, Data Preprocessing, Pandas, NumPy, Scikit-learn

Tools: VS Code, Jupyter Notebook, Google Colab, GitHub

CERTIFICATIONS

- Cisco Certification – Python Programming
- Infosys Springboard Certification
- MongoDB Certification
- Supervised Learning in Machine Learning
- NPTEL – Enhancing Soft Skills and Personality; Introduction to Internet of Things
- IIT Bombay – Python Completion Certificate
- Membership – ISTE (Indian Society for Technical Education)
- Workshop Certifications

Career Focus: Artificial Intelligence • Machine Learning • Data Science
